Stewardship Update

Sunday \$ 3710.71 65 Envelopes 3 On-Line Giving

Thank you for your continued generosity! Also 'thank you' to those who are getting 'caught up' in their stewardship offerings from the onset of the pandemic. The sacrifice and generosity of all is a blessing!

Stewardship: Today's observance of All Saints includes those with some of the most beloved devotions we hold dear to our hearts. Do we remember that these saints once walked the earth as we do today? They were real people who gave their lives to Jesus Christ and the Church. They shared their gifts in a variety of ways, but all of their efforts pointed to one source: sharing their gifts with others because they recognized that all good things are from God. We are called to do the same!

Vocations: This is *National Vocation Awareness Week*. Let us unite in prayer for those who are discerning a call to imitate the humility of Christ as religious brothers, sisters, priests or deacons. Do you feel God is offering you the grace of a vocation to the priesthood or consecrated life?

The H.A.L.O. Program which provides gifts for children and food for families at Christmas will have a different look this year due to Covid-19. First, tags will not be placed on a Giving Tree at church. Instead, parishioners and friends are asked to make a donation of money to the St. Vincent de Paul Society. All the money donated will be divided amongst the ten families adopted by our parish in the form of gift cards to Walmart. The families will be able to purchase the gifts for their children themselves. Food gift certificates will also be given to each family. You may donate to help those in need this Christmas by sending your donation to the Parish Office in an envelope marked for H.A.L.O., drop your donation marked for H.A.L.O. in the locked drop-box located on the door of the Parish Office or drop your designated donation in the basket at Mass. Thank you for your continued generosity to those in need in the Conneaut area.
