

A PRAYER SERVICE FOR UNITY, HEALING AND PEACE IN OUR COUNTRY

On **Wednesday, November 4, 2020 at 6:00pm**, Corpus Christi Parish will be hosting an ecumenical prayer service for **UNITY, HEALING and PEACE** in our country and community. The prayer service will take place at St. Frances Cabrini Church in Conneaut and, due to COVID-19, will be **LIVESTREAMED ONLY**.

Significant political and cultural division has erupted in the United States of America. The concept of dignity of life has been considerably diminished. Social unrest and violence have broken out in the streets of our country. Racism and domestic terrorism are being encouraged and supported. And, more than any other time in recent memory, words of anger and hate have dominated public dialogue.

The prayer service is being held one day after the presidential and general election. It is unknown at this time which candidate will win the presidential election. Indeed, the next president may not be known at the time of the prayer service. Regardless, it is time for our community to come together to pray that the God of the Universe will **unify** our country. It is time to pray that the Eternal Physician will **heal** the Body of Christ. It is time for our community to pray that our Lord and Savior Jesus Christ will grant us **peace**. **Now** is the time to pray for UNITY, PEACE and HEALING.

Please join us on Wednesday, November 4 at 6:00pm by livestream on the Corpus Christi Parish YouTube Link at:

https://www.youtube.com/channel/UCL6cBqEHjrewGKQ_1IHT3ng

And at the Corpus Christi Parish Facebook page. All are welcome to join.
